Gerald Badgley

Principal, C.E. Byrd Class of '76

"C. E. Byrd High School provides a comprehensive, dynamic, and well-rounded experience for all students, and our wide variety of clubs, organizations, athletics, and spirit activities are second to none. We are strongly supported by an active and involved, PTSA, the C. E. Byrd Foundation, and a nationally renowned Alumni Association."

Ellie Lawrence

Gateway student, AP Scholar, Varsity Soccer Captain

Byrd is my home away from home. I am thankful for the teachers who create safe spaces for each student everyday, providing us the opportunity to grow and thrive in an academically rich environment. Through my participation in student government, athletics and service clubs offered at Byrd, I have been challenged to become the best version of myself.

Braden Tucker

Magnet student, Talented Music and Drama

For me, Byrd means opportunity. Byrd High School has helped me develop as an intellectual, challenging me with the college level courses and extremely dedicated teachers. Byrd has also allowed me to find myself as a musician and get recognized nationally for my musical talents. I'll never forget everything Byrd High School and its administration has given me over the last four years.

James Stratton

Gateway student, Student Council President, National Merit Semi-Finalist, Varsity football player

C. E. Byrd has provided me with incredible opportunities academically, athletically, and socially that I could not have found anywhere else. I can confidently say that I am a better student and person thanks to the opportunities and support I have had at C. E. Byrd High School.
